Profile

I am looking for a software developer role where I can apply my knowledge and skills while learning and growing in the dev industry. I am passionate about software development and possess a natural ability to work in teams and solve problems. As an employee, I always strive to improve my work quality and meet the expectations of employers and clients. Having lived in Chile and Australia, and having spent years in other English speaking countries, I have exceptional oral and written skills in both Spanish and English.

Education

11/2022 – 02/2023 Santiago, Chile	Full Stack Developer <i>4Geeks Academy</i>  Intensive program to obtain a Full Stack Developer degree. 4Geeks Academy is a prestigious bootcamp based in Florida. 4Geeks has been recognized as one of the best bootcamps of the United States.
03/2003 – 01/2004 Santiago, Chile	Masters in Education <i>Universidad Diego Portales</i> First in Class. Award for Academic Excellence in the Spanish Language and Communication Program.
03/2008 – 07/2012 Santiago, Chile	Bachelor's Degree in Literature and Linguistics <i>Pontificia Universidad Católica de Chile</i> Language specialist that combines profound knowledge of linguistics and literary studies.

Professional Experience

03/2023 – present Remote, United States	English and Spanish Interpreter <i>Language Line Solutions - Freelancer</i> Real-time interpreter from English to Spanish and from Spanish to English for Language Line Solutions. Language Line is the largest provider of interpretation services in the world.
03/2014 – present Worldwide	English and Spanish Teacher <i>Freelancer</i>
03/2019 – 03/2022 Worldwide	Freelance Developer <i>Freelancer</i> As a freelance web developer, I specialize in building and designing websites that are tailored to meet the unique needs of my clients. Using the latest technologies and industry best practices, I create responsive, user-friendly websites that are both visually appealing and functional, collaborating with clients to determine their website requirements and goals.
